Begin Again!

NOTES: Trust Me! It reads harder than it is. You will be hitting the breaks (stopping when the music stops) and restarting at the beginning of the dance when the music comes back in. Below is a breakdown of what count the break hits and what wall you will be facing. Each restart comes after a break except the second restart. On the second wall you will dance straight through the first 49 counts (facing original 12 O'clock wall). Count 49 is the last step of a Left Shuffle and will also be count 1 of the restart. Continue into the spiral. Good Luck!!

- Restart 1 Dance to count 53 (Facing 9 O'clock) - Restart on count 1.
- Restart 2 Dance to count 48 and continue the shuffle into the beginning (Facing 12 O'clock).
- Restart 3 Dance to count 49 (Facing 3 O'clock) - Change weight to R foot and restart on count 1.
- Restart 4 Dance to count 45 (Facing 6 O'clock) - Step onto R instead of rock and restart on count 1.
- Restart 5 Dance to count 61 (Facing 9 O'clock) - Restart on count 1.
- Restart 6 Dance to count 61 (Facing 12 O'clock) - Restart on count 1.
Dance to end of song.
